Shannon & Luchs Celebrates 100 Years

Shannon & Luchs Insurance Agency recently celebrated its 100th anniversary at the Manor Country Club in Rockville. The event, commissioned by current company executives Dorian S. Fernandez, James E. Hamerski and Philip C. Dellinger, brought together hundreds of former and present employees, company clients, board members and dignitaries. Company officials, recognizing the company's longstanding commitment to charitable giving, raised more than \$5,000 for Sarah's Circle, a nonprofit, independent living residence and community education center for low-income seniors in Washington, D.C. Here, a donation check is given to a Sarah's Circle representative.
